13 Gulshan-e-Jami model colony, Karachi, SD 75050 | (+92) 333-3470143 | anumbushra9@gmail.com |

Profile

Recent IT graduate from Bahria University, with internship experience in web development and academic project experience in mobile app and website development. Proficient in Flutter (Dart), Java, Kotlin, C/C++, HTML/CSS, and SQL. Passionate about learning new technologies and building real-world IT applications. Currently seeking a role in software or web development to apply and expand my knowledge.

Experience
